## About Us

Rethink Ed combines the power of technology and research to deliver innovative, scalable and evidence-based instructional materials and supports for learners with disabilities. The comprehensive suite of tools ensures that every student develops the academic, behavioral and social/emotional skills they need to succeed in school, at work and in life. Rethink Ed positions educators, students and families for success. Rethink Ed is a division of Rethink First, a company that aims to place evidence-based treatment solutions in the hands of every educator, clinician or parent working with a child with special needs. We are unique in our footprint, leveraging the power of technology to provide clinical support, best-practice tools, and research-based content to all market segments, reaching more children with special needs than any other solution.
