Match with any Color Theme

Ideal for meal delivery in acute and long-term care facilities, the Camtray is designed with contoured handles to improve ease of use and to add a more sophisticated touch to your tray top presentation. This durable tray features a smooth surface and is available in a variety of colors to complement any interior color theme and tray mat design.

- Made of durable, lightweight, high-impact fiberglass.
- High stain, scratch and odor resistance.
- High temperature dishwasher safe.
- Dri-Stak separators keep trays in place and ensure proper air flow between trays.
- Personalization via digital process is available.
- 2 year pro-rated warranty.
