

DALLAS: A PREMIER DESTINATION FOR LIFE SCIENCES & MEDICAL MEETINGS

Dallas is more than a destination, it's a dynamic hub for groundbreaking medical advancements and industry-defining events. With world-class healthcare institutions, a thriving biotech sector and state-of-the-art convention facilities, Dallas provides the infrastructure, expertise and Can-Do Spirit to host impactful medical meetings and conventions.

HEALTHCARE EXCELLENCE

Major Dallas hospital systems include UT Southwestern Medical Center, Baylor University Medical Center, Children's Medical Center Dallas and Parkland Health, all of which serve as both care providers and research leaders.

These institutions are known for innovation in translational research, clinical trials and specialized patient care.

BIOTECH & HEALTH INNOVATION

Dallas supports a growing biotech and medtech sector, anchored by the UT Southwestern BioCenter, Pegasus Park innovation district and multiple life sciences accelerators.

The city's business-friendly climate and access to talent continue to attract startups and major health-tech players.

ACADEMIC AND RESEARCH STRENGTH

Dallas is home to top-tier medical education and research institutions, including:

UT SOUTHWESTERN MEDICAL CENTER

Consistently ranked among the nation's best for both medical education and research.

BAYLOR UNIVERSITY MEDICAL CENTER

A leader in clinical education and home to key research initiatives.

CHILDREN'S MEDICAL CENTER RESEARCH INSTITUTE AT UT SOUTHWESTERN

Driving discovery in regenerative medicine, cancer biology and metabolism.

PEGASUS PARK

Pegasus Park is Dallas' hub for life sciences innovation. The 26-acre campus unites startups, research institutions and investors to accelerate breakthroughs in biotechnology and healthcare. With BioLabs' shared lab space, the new Bridge Labs R&D facility and the HW Venture Center for health startups, Pegasus Park provides the infrastructure for companies to grow while positioning Dallas as a leader in biotech discovery and commercialization.

WHY CHOOSE DALLAS?

CENTRAL & CONNECTED

Dallas is easily accessible, with two major airports, Dallas Love Field and nearby DFW International Airport, making it simple for domestic and international attendees to arrive.

STATE-OF-THE-ART VENUES

Dallas offers modern, flexible venues, like the Kay Bailey Hutchison Convention Center Dallas and top-tier hotels, equipped with advanced technology and designed to support meetings of all sizes, from global congresses to focused symposia.

CULTURE THAT INSPIRES

Dallas offers more than just professional appeal, its award-winning culinary scene, world-class arts and vibrant neighborhoods turn every event into an unforgettable experience.

LIFE SCIENCES HUB

Dallas is home to renowned hospitals, research institutions, and health-tech innovators. The city fosters collaboration and breakthrough discoveries in areas including oncology, neuroscience, cardiovascular research and more.
