DALLAS LOVES STUDENTS

Let us help plan your perfect group trip to Dallas. Visit Dallas is always happy to help!

GREETINGS FROM DALLAS

Thank you for considering Dallas for your student groups. At Visit Dallas, our goal is to make planning your trip as easy as possible, starting with our Student Market Handbook.

We also encourage you to take advantage of our Tour Operator Incentive Program. This program allows you to request a refund equal to 10% of your group rate when you stay at qualifying Dallas hotels and submit your request at least two months before your group's visit. Here's how it works:

1. Two months before your group's visit, submit a pre-event application here: dallastpid.com/forms/dallas-tpid-pre-event-tour-operator-application/
2. After your group's stay, submit the post-event reimbursement form here: dallastpid.com/forms/post-event-tour-operator-reimbursement-form/

The Visit Dallas Tourism team is here to help you every step of the way. We can assist with creating the perfect itinerary, finding the best hotel for your group and connecting you with Dallas attractions. We look forward to welcoming you and your group to Dallas!

The image shows the interior of a restaurant with a rustic, industrial aesthetic. The room features dark wood tables and chairs, with small brass-colored spherical ornaments on each table. The ceiling is made of exposed wooden beams and is decorated with several large, ornate, lantern-like pendant lights. The walls are adorned with various framed pictures and signs, including one that says "RESTROOM" and another that says "HOUSE OF BLUES". The floor is made of dark wood. The overall atmosphere is warm and inviting.

An aerial photograph of a hotel swimming pool. The pool is rectangular with a dark blue interior. A person is swimming in the center-right area. The pool is surrounded by a light-colored stone deck. Along the top and bottom edges of the pool, there are rows of white lounge chairs with blue and white striped cushions. Large orange square umbrellas are positioned around the pool. On the left side, there is a brick wall and some greenery. The word "HOTELS" is written in large, bold, orange letters across the middle of the pool.

TRANSPORTATION

A long-exposure photograph of a city at night, likely Dallas. The image captures light trails from cars and trains, creating vibrant streaks of yellow, orange, and red. In the background, the Reunion Tower stands out with its illuminated sphere, and the American Airlines Center is visible with its distinctive red lights. The foreground shows a parking lot with several cars and a small building. The overall scene is a dynamic representation of urban transportation.

PERFORMANCE VENUES & OPPORTUNITIES

A wide-angle, low-perspective shot from the audience looking towards a stage in a large arena. The stage is illuminated with vibrant purple and blue spotlights, creating a dramatic atmosphere with thick smoke or fog. Several performers are visible on stage, some with their arms raised. The audience in the foreground is seen from behind, with many people holding up their phones to capture photos or videos of the performance. The arena's architecture features curved wooden balconies and a high ceiling.

All programs and performances are planned at least three months in advance to ensure a smooth experience. We will do our best to find a date that accommodates the performer, but availability is not always guaranteed due to external events, lawn closures, signature events, and other pre-planned programs. We recommend having several potential dates and times in mind when inquiring. Our in-house production team member can provide setup for basic sound equipment for a small fee. Any specialized equipment beyond our in-house inventory must be provided by the performer or rented through our preferred vendors. Please note that, as an outdoor venue, rescheduling due to weather is challenging and may not always be possible.	6 a.m. - 11 p.m. (performance times vary)
