## **Neighbor Alert Letter**

To learn more about autism, please visit autismspeaks.org.

Give a letter like this sample letter to trusted neighbors to inform them of your child with autism's tendency to wander.

We have a child with autism.	About half of children with	autism have a tendency to war	nder from safety.
We watch our child very care	fully, but sometimes he/she	unpredictably wanders away f	from safety.
Our child's name is		He/she is	years old as o
today,	He/she is	tall and weighs about _	lbs.
He/she usually wears			
WHAT TO DO?			
We kindly ask if you see our c	hild alone, please stay with	him/her and immediately call:	
	,	dy looking for him/her. Please a	ilso call 911 and tel
them that you have found ou	r child.		
like lakes, rivers or swimming or gate is open. He/she will be question he/she will likely no	pools and could drown. He ecome lost very easily and r t answer. eaf. However, our child can	ne may be dangerously drawn to elshe might walk in your house not know helshe is lost. If you and hear. But helshe may not react	or yard if a door ask our child a
Our child sometimes has out unusual ways for a few mome	bursts where he/she might ents. Please don't misinterp	scream or shake his/her hands oret any of these motions. He/s /her and call us, then 911 right	he does not intend
We have included a recent pio	cture of our child.		
Thank you,
