Presentation Stage

Flexible Studio for TV & Broadcast

encore

Our Flexible Studio Solution

Encore's Presentation Stage in Toronto is a purpose-built studio environment that easily adapts to your creative vision and filming needs. Located near Pearson International Airport, the space comes fully equipped with production-grade cameras, lighting grid and stage lighting, green screen, full control room, and even broadcast capabilities.

Whether you're designing creative content, filming interviews, live-streaming product launches, or presenting to clients, our skilled operational team ensures flawless execution and elevated production so you can focus on capturing every scene with confidence.

When working with us, you also get access to unrivaled service and benefits, including:

- Catering
- Ample Parking & Preparation Space
- Full Loading Docks
- Arrangeable Car Service
- Opportunity for Pre-Shoot Tee-Off at Goreway Golf Club
