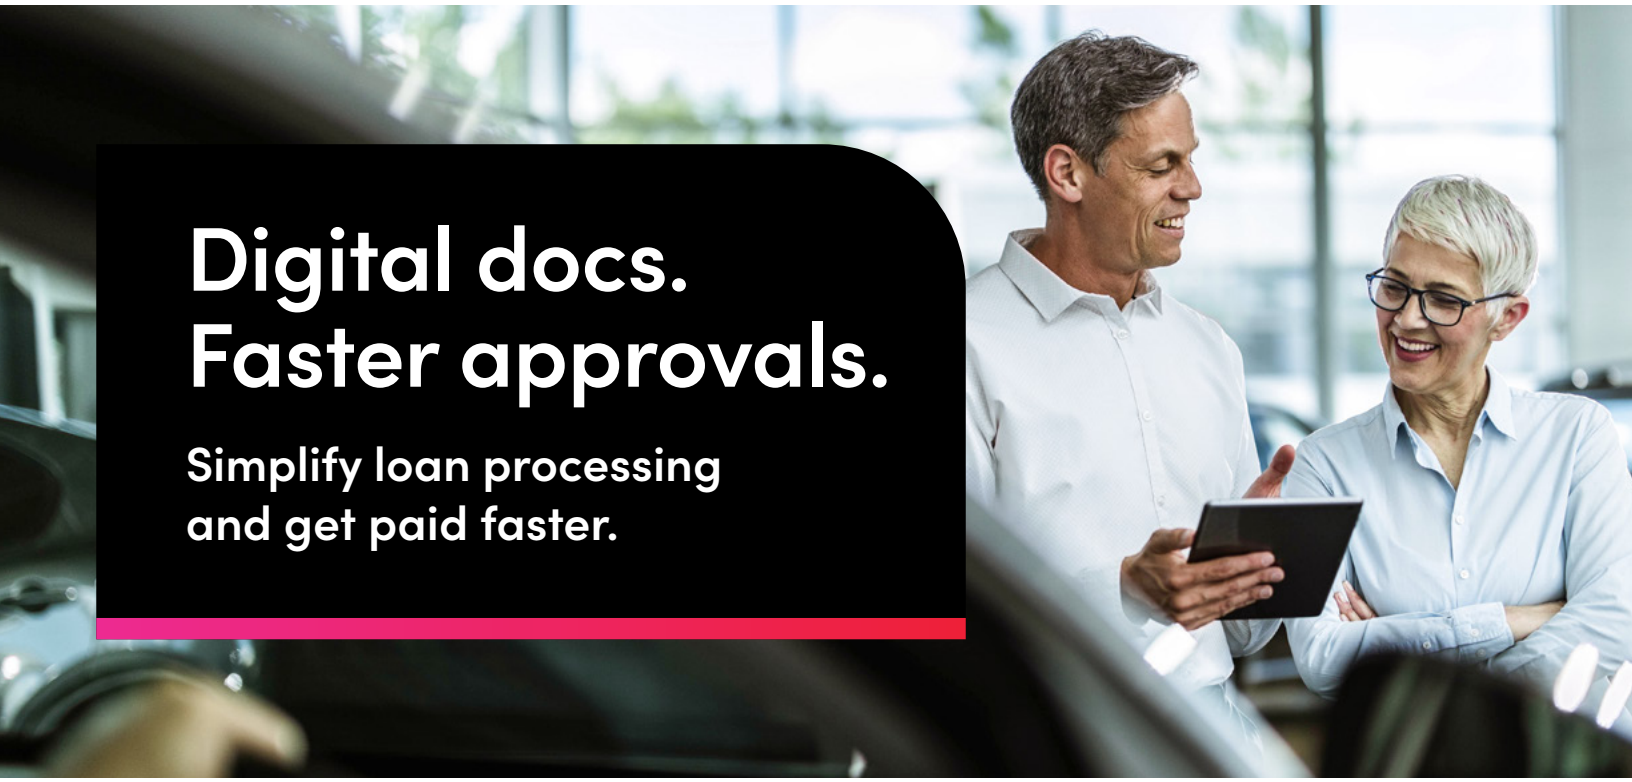
ORIGENCE CUDL®



Digital docs. Faster approvals.

Simplify loan processing and get paid faster.

Accelerate funding with SmartFund®—the fast, secure way to transmit imaged loan documents directly to your credit union partners. Once submitted, credit unions can instantly retrieve, store, and add internal documents to complete the loan package—all within the CUDL® platform. Learn how this seamless, end-to-end process helps speed up approvals and gets your deals funded faster.

Why dealers choose SmartFund:

Lower costs

Eliminate courier fees and delays, and reduce overhead with digital document delivery.

Faster loan funding

Reduce processing time and improve efficiencies for your dealership and credit union partners.

Smoother financing process

Quickly locate missing documents and deliver complete loan packages digitally to avoid delays.

Discover the benefits CUDL can bring to your team.
