

Indirect lending insight to elevate your program performance

Enhance your indirect lending with a personalized review of your indirect program, practices, partners, and more. Partner with our experts to look at every aspect of your indirect lending processes and determine what's working and what can be improved. Leverage a comprehensive report consisting of in-depth analyses that give you the insight you need to answer these 3 questions:

1. How competitive is your program?
2. What is the inherent risk?
3. How does your portfolio perform?

Reports provided include:

Portfolio stratification

Stress testing

Competitive analysis

Predicted performance analysis

Dealer performance review
