U.S. NATIONAL PARKS: CANYONLANDS, ARCHES & ROCKY MOUNTAIN

6 days | Salt Lake City | Moab | Canyonlands National Park | Arches National Park |
Glenwood Springs | Denver | Rocky Mountain National Park

Rocky Mountain National Park

Day 1: Salt Lake City • Moab

- Arrive in Salt Lake City
- Photo stop at Temple Square and Olympic Cauldron Park
- Travel to Moab

Day 2: Moab • Canyonlands National Park

- Canyonlands National Park: Mesa Arch, Grandview Overlook or White Rim trails
- Cowboy-style barbecue dinner
- Flat-bottomed boat ride and nighttime sound and light show

Day 3: Moab • Arches National Park

- Arches National Park: Landscape Arch, Delicate Arch, the Window Arches

Day 4: Moab • Glenwood Springs • Denver

- Travel to Glenwood Springs
- Glenwood Caverns Adventure Park
- Travel to Denver
- Meow Wolf immersive art museum

Day 5: Denver • Rocky Mountain National Park • Boulder

- Rocky Mountain National Park: Trail Ridge Road (seasonal) or the Bear Lake Corridor
- Travel to Boulder
- Dinner and time to explore Boulder

Day 6: Denver

- Time to explore Denver
- Depart for home

THE BACKBONE OF NORTH AMERICA

As you journey through Rocky Mountain National Park, you'll encounter the Continental Divide, an immense ridge that separates the major watersheds of North America. Pay attention to the interplay of light and shadow across the mountains and observe the dramatic shifts in climate and terrain. This continental seam doesn't just direct the country's flow of water to the Atlantic or Pacific; it also marks significant changes in the landscape and ecosystems, affecting weather patterns, vegetation, and the types of wildlife found on either side.

A GEOLOGICAL WONDER

Canyonlands and Arches National Parks are a showcase of the power of natural geological forces. Observe layers of sedimentary rock that have been sculpted over millions of years by water and wind, resulting in towering pinnacles, deep canyons, massive buttes, and iconic arches. From the sprawling White Rim to the freestanding Delicate Arch, these rock formations tell a profound story of erosion and uplift. The forces that created them continue to shape them today, offering a dynamic glimpse into Earth's ongoing evolution.

GLENWOOD CAVERNS ADVENTURE PARK

As the only mountaintop adventure park in the country, Glenwood Springs offers a unique blend of natural beauty and human ingenuity. Experience the rush of the alpine coaster as it winds down 3,400 feet of scenic terrain, explore caverns formed millions of years ago, and relax on gondola rides that offer panoramic views of the surrounding Rockies.

Your experience includes

-  Round-trip and on-tour transportation
-  5 nights hotel accommodations
-  Full-time Tour Director
-  Breakfast and dinner daily
-  Comprehensive sightseeing tours
-  Visits to special attractions
-  Overnight security at your hotel
-  Illness and accident coverage
-  Travel ID badges and backpacks
-  All gratuities

Options

- Lunches
- Earned credit for Group Leaders and students
