Take in this tour's highlights

Brussels

Embark on a walking tour of Brussels to explore the grandeur of the European Union buildings, the historic splendor of Grand'Place, and the iconic modernity of the Atomium.

CAREER READINESS See just how green your thumb is on a rooftop aquaponic greenhouse tour, where you'll experience urban agriculture in action. Learn about the circular economy and then participate in an interactive microgreen activity.

Tour a sustainable Belgian dairy farm to learn about its unique challenges and the new techniques being developed to meet them. Reward all your hard work and learning with a delicious cheese tasting.

Luxembourg

Take a day trip to the small country of Luxembourg, known for its fairy-tale castles and vibrant economy.

With your expert local guide, marvel at Bock Promontory and the Grand Ducal Palace in Luxembourg City. Then admire the epic Gothic architecture of Notre-Dame Cathedral Place d'Armes in this city's lively center.

The Hague

CAREER READINESS Experience cutting-edge innovation in the horticulture industry when you visit The World Horti Center. Interactive exhibits and demonstrations on advanced greenhouse technology, sustainable farming practices, and the future of cultivation will open your eyes to a whole new realm of plant-based possibilities.

Head to Tomatoworld for an engaging exploration of agricultural research as it relates to specialized cultivation and data-driven growing practices.

Amsterdam

The Netherlands is world-famous when it comes to farming for a reason. Despite being the size of New Jersey, they're the second-largest exporter of agricultural products in the world.

CAREER READINESS Stroll through stunning tulip fields or specialized tulip greenhouses, then enjoy a delicious farm lunch. Visit a modern dairy farm as well as a specialty farm where you'll learn about the intricacies of their industry.

Investigate Dutch culture at cheese and clog factory, where you'll enjoy demonstrations and tastings—of the cheese, not the clogs!

Board a canal cruise with audio guides to soak in the city's unique layout and gabled buildings.
