TOURS

MEANINGFUL. SUSTAINABLE. UNFORGETTABLE.

This trip through Thailand is service meets sightseeing meets seriously beautiful temples. In northern Thailand, work with local communities on projects related to education, the environment, or community development. Then ask yourself: What's cuter than a happy elephant? Answer: A sanctuary of happy elephants! Observe the gentle giants and help maintain the place they call home. Finally, head to bustling Bangkok to explore winding canals, historic sites, and local flavors.

EF partners with established nonprofits and NGOs—such as the Mariposa Foundation and the Andean Alliance for Sustainable Development—to make sure your contributions are both meaningful and sustainable. Through hands-on work and deep exposure to the local culture, students learn vital collaboration and problem-solving skills. They return inspired to make a difference at home, too.
