## What to expect on a Summit

It's all about making an impact in the way that matters most to you. You'll explore global topics to find what motivates you, combine that with your new, hands-on discovery of what matters to others, and use it all to make a difference that will last far longer than the Summit experience itself.

### Thought leaders among us

Learn from experts during engaging workshops and discussions. Past Summit speakers include AI Gore, Jane Goodall, Sir Ken Robinson, and Soledad O'Brien.

### Change you can feel

From innovative thinking to public speaking, every moment at an EF Summit is designed to inspire growth.

### Project-based learning

Working on a small international team, you'll use the design-thinking process to create and present solutions to a global challenge.

### Immersive travel

Explore Europe on an immersive educational tour centered around *Future Readiness in a Changing World*.

## Your itinerary

Delve into the past and present of a once-divided nation to foresee a future shaped by more empathy, communication, and understanding. See where citizens secretly connected during the Bosnian War, learn how students of varying religious beliefs coexist peacefully in Mostar, and visit a museum that vividly captures the realities of war. You'll gain firsthand knowledge on how destruction can lead to unification and how people can foster a richer culture over common ground. Then, you'll gather in Berlin to further explore *Future Readiness in a Changing World* at our inspiring leadership conference.
