

SOCCER TOURS FOR GIRLS

Soccer in London

8 DAYS

London has been a center of innovation and culture for hundreds of years. Some might argue it's also the epicenter of European football, continuing to set trends on how the game is played worldwide. Go behind the scenes at a world-famous club on this London soccer tour for girls. Explore the club's home stadium and work with their coaches in training clinics. And when you're not dreaming of being a future Super League star, soak in the city's classic sights.

WHAT'S INCLUDED

a professional soccer club and training clinic

Take in this tour's highlights

London

Enjoy a walking tour with your Tour Director through London's Westminster and West End neighborhoods. Stand in Trafalgar Square, home to the National Gallery and famous bronze lion statues. Compare this to the rows of theaters and cinemas in bustling Leicester Square, then continue on to the quaint shops in Covent Garden.

SOCCER Tour London Stadium in Stratford, originally built for the 2012 Summer Olympics. Go behind the scenes to sit on a Premier League team's benches, explore the dressing room, and walk through the players' tunnel.

Hop aboard a cruise on the River Thames. Pass by the grandiose, Gothic-style Parliament Building and Big Ben. Then gaze past Tower Bridge at the more modern buildings that stand tall along the skyline, like the Shard and the Gherkin.

SOCCER Lace up your cleats for exclusive training sessions. Play like a future football star as coaches guide you through the drills and strategies used by a professional club.

Get to know lovely London on a guided sightseeing tour. Explore the lush and peaceful Green Park, located right in the heart of the city. Then wave to royalty as you pass sprawling Buckingham Palace and check the time on Big Ben in Parliament Square.

SOCCER Play in a couple of friendly matches against local girls' soccer teams of a similar age and level of play. *(To be determined based on availability and skill level.)*

Visit the medieval Tower of London, once used as a palace, prison, treasury, and armory. See the royal family's priceless Crown Jewels and coronation regalia, learn about Anne Boleyn's arrest and execution here, and discover the Yeoman Warders, who have guarded the Tower of London since 1485.

SOCCER Experience the palpable energy in the stands at a professional women's soccer match. *(Teams, locations, and dates will be determined closer to when you leave.)*

Soar high over the River Thames on the London Eye to enjoy a 360-degree view of the city. Snap pics of Tower Bridge, St. Paul's Cathedral, Big Ben, and more as you learn about the historical significance of these iconic sites.
