Impressions of Budapest, Vienna and Prague

Budapest | Vienna | Prague

In these three Eastern European cities, old world charm and modern energy create an atmosphere unlike any other. Start your week-long journey in Budapest, a city of hidden gems dramatically divided by the Danube River. Then travel to Vienna, a bustling capital known for wiener schnitzel and world-famous composers. End your trip in storybook Prague, where you'll learn about the city's history in its cobblestone streets and gothic town squares.

Get even more bang for your bucket list

Designed with school calendars in mind, this flexible, highlight-rich tour lands in the sweet spot between a long weekend and a lengthier getaway—so you can focus less on scheduling and more on exploring.

Your experience includes: Full-time Tour Director; 3 sightseeing tours led by licensed local guides; 2 walking tours; personalized learning; round-trip flights on major carriers; comfortable motorcoach; 5 overnight stays in hotels with private bathrooms; breakfast and dinner daily

Anyone can see the world.

You're going to experience it.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your Tour Director in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter, or Instagram, or delving deeper into your destinations with our personalized learning experience, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels, and meals while also providing their own insight into the local history and culture. Expert local guides will lead your group on sightseeing tours, providing detailed views on history, art, architecture, or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.

“As a teacher, it's an amazing feeling to see my students light up and get excited about ‘that thing we talked about in class.’ Not only do they have a rich educational experience, they transform into young adults who are eager to take on more travel.”
