## What to expect on a Summit

It's all about making an impact in the way that matters most to you. You'll explore global topics to find what motivates you, combine that with your new, hands-on discovery of what matters to others, and use it all to make a difference that will last far longer than the Summit experience itself.

### Thought leaders among us

Learn from experts during engaging workshops and discussions. Past Summit speakers include AI Gore, Jane Goodall, Sir Ken Robinson, and Soledad O'Brien.

### Change you can feel

From innovative thinking to public speaking, every moment at an EF Summit is designed to inspire growth.

### Project-based learning

Working on a small international team, you'll use the design-thinking process to create and present solutions to a global challenge.

### Immersive travel

Explore Europe on an immersive educational tour centered around *Future Readiness in a Changing World*.

## Your itinerary

Embark on a journey through different styles of education and understand how the way we learn has changed over time. Art, innovation, and academia will collide as you discover the Reggio Emilia multi-lingual philosophy, tour one of the oldest Western universities to see the evolution of higher education up close, and peek inside the mind of Italy's most famous intellectual renegade at the Leonardo di Vinci Museum.
