Venice

Get to know this dreamy destination with an expert local guide. Stand in the larger-than-life St. Mark's Square and wander the banks of the Grand Canal. Imagine what it was like for architects to build an entire city around such a captivating natural waterway thousands of years ago.

Take to the winding canals yourself as you relax on a quintessential gondola ride.

Hop on a water taxi to explore the island of Burano. The brightly colored homes lining the channels look as if they've emerged from a Venetian painting.

Ravenna

When wandering through this small northern Italian city on a day trip, it's hard to picture that it was once the capital of the Western Roman Empire for three centuries. Experience just how mighty this unassuming town is as you gaze up in wonder at the collection of perfectly preserved gold mosaics in the Basilica di San Vitale.

Florence

Study up on the city's history during a walking tour with an expert local guide. Spot the Ponte Vecchio, Chiesa di Santa Croce, Gates of Paradise, and Piazza della Signoria. Prepare for a jaw-dropping moment when you first see the world-famous Duomo.
