Arenal Volcano

Anyone can see the world.

YOU'RE GOING TO EXPERIENCE IT.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your Tour Director in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter, or Instagram, or delving deeper into your destinations with our personalized learning experience, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels, and meals while also providing their own insight into the local history and culture. Expert local guides will lead your group on sightseeing tours, providing detailed views on history, art, architecture, or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.

@EFtours I attribute my college semester abroad to the love for travel I discovered on an EF Tour in high school #traveltuesday
