

Global Leadership Summit:

# *The Power of Environmental Stewardship*

JULY 9–18, 2026

Our relationship with the Earth today has a direct impact on all aspects of the future—from conserving native habitats and species to preserving centuries-old cultures and traditions. So, how do we restore balance and reestablish ourselves as caretakers of the world that provides for us? Embark on an educational tour through Latin America and join us in San José, Costa Rica, for EF's 2026 Global Leadership Summit. In these perspective-shifting places—where the ecosystems are uniquely intertwined with everyday life—we'll explore *The Power of Environmental Stewardship* and the collective action we can take to prioritize the planet we call home.

## What to expect on a Summit

It's all about making an impact in the way that matters most to you. You'll explore global topics to find what motivates you, combine that with your new, hands-on discovery of what matters to others, and use it all to make a difference that will last far longer than the Summit experience itself.

### Thought leaders among us

Learn from experts during engaging workshops and discussions. Past Summit speakers include Al Gore, Jane Goodall, Sir Ken Robinson, and Soledad O'Brien.

### Change you can feel

From innovative thinking to public speaking, every moment at an EF Summit is designed to inspire growth.

### Project-based learning

Working on a small international team, you'll use the design-thinking process to create and present solutions to a global challenge.

### Immersive travel

Explore Latin America on an immersive educational tour centered around *The Power of Environmental Stewardship*.

EF Summits are open to rising 9th graders through graduated seniors.

# Your itinerary

Step into the heart of the Peruvian Amazon—unrivaled as the most biodiverse ecosystem on Earth—and experience the astonishing abundance of life it sustains. Begin your journey in Costa Rica, where you'll harness *The Power of Environmental Stewardship* at our inspiring leadership conference. Then, venture to the Amazon rainforest to spot piranhas and pink river dolphins on a river boat excursion, explore an ethnobotanical garden alongside a local shaman, and learn about manatee rehabilitation at a rescue center. Through it all, you'll discover insights into the threats facing this ecological hotspot and learn how we can protect it for generations to come.
