## What to expect on a Summit

It's all about making an impact in the way that matters most to you. You'll explore global topics to find what motivates you, combine that with your new, hands-on discovery of what matters to others, and use it all to make a difference that will last far longer than the Summit experience itself.

### Thought leaders among us

Learn from experts during engaging workshops and discussions. Past Summit speakers include AI Gore, Jane Goodall, Sir Ken Robinson, and Soledad O'Brien.

### Change you can feel

### Project-based learning

Working on a small international team, you'll use the design-thinking process to create and present solutions to a global challenge.

### Immersive travel

Explore Europe on an immersive educational tour centered around *Future Readiness in a Changing World*.

# Your itinerary

Our greatest conflicts of the past teach us a great deal about how the many corners of the world can coexist peacefully in the future. Learn about the transition of power from communist to capitalist societies, comparing the civil unrest of the Romanian Revolution with the non-violent resistance in Prague and Budapest. Meet with locals and get an up-close look at the lasting impact of communication in conflict resolution. Then, take all you've learned to Berlin to further explore *Future Readiness in a Changing World* at our inspiring leadership conference.
