

FORTE SERIES™

THE MOST *STATE OF THE ART* *ENGINEERING* TO HAVE A CUP HOLDER

SEATING'S HIGHEST STANDARD IS REACHING NEW HEIGHTS

It's All About Comfort

Venue operators can rest easy knowing they can provide patrons in every row of their facility unparalleled comfort that elevates the spectator experience.

Maximize Your Flexibility

Our innovative Beam-Mount System, where seat modules mount independently of the bracket attachment to sub-structure allows for more flexible seating configurations, maximizing your venue's potential.

Maintenance Made Simple

Forte's toggle locking system to a beam, and our patented cushion removal system in both the seat and the backrest create an easy-to-maintain design, plus ensures long-lasting performance and reduced operational costs.

FORTE SERIES

Features and Benefits

- **Beam-Mount System**
Designed to last a lifetime, our beam-mount system future-proofs your venue with flexible, efficient seating that's easy to upgrade, replace, and built to maximize every inch of space
- **Fully Enclosed Seat Pivot Mechanism**
This ensures consistent, smooth seat return every time, with a convenient push-back function when unoccupied – plus, it arrives factory-assembled, so no on-site assembly is required
- **Injection Molded Seat and Back**
Designed to be sturdy and allow for high impact force
- **Molded Polyurethane Seat and Back (Upholstered)**
Patented molded foam is long lasting, supportive and comfortable for continuous hours of use for years to come
- **Composite Glass-Filled Nylon Side Supports**
Side supports made from heavy duty structural material
- **Individually Designed Components**
Designed for ease of installation and replacement of key components. Quick replacement of seat and back pads through patented easy snap in and out system

Optional Accessories

- **Mounting Options (Beam-Mount System)**
Tread (Floor) | Riser (Step/Wall) | Removable | Free Standing
- **2 Back Heights Available**
36" Standard back and 42" High back
- **Factory Fitted Arms**
 - Standard lift up (bare or cups)
 - Tables
 - End of Row Filigree
 - Writing Tablets
- **Lighting**
Range of beam-mounted lighting options
- **Cup Holders**
Rear-Mount | Arm-Mount
- **End of Row and Seat Identification**
Tamper proof row ID and snap in tamper-proof seat numbers
- **Under-Seat Power, Data, USB Ports and Lighting**
