

# PAINT & POLYMER

## Fusion™ and Legend™

When you specify Hussey, you get great seating and an unbeatable range of features, including our extensive paint and polymer options for our Fusion and Legend series. With 15 Standard Colors (shown here) plus our optional colors (Custom Colors and Pantone® matching capacity - all for additional cost), your seating can be nearly any color you can dream up.

Production polymer and paint colors can vary widely from digital and printed samples. Polymer surface textures vary by product. For all final decisions and approvals, please refer to production sample chips available from your Hussey Dealer.

All color numbers listed here are approximate Pantone® equivalents. Please refer to production sample chips for true color reference and approvals.
