The screenshot shows the Symmetry Surgical website's Quick Cross tool. The header includes navigation links like Promotions, Service & Support, News & Events, Login, and CART. The main navigation bar has links for OUR COMPANY, PRODUCTS, RESOURCES, QUICK CROSS, and SHOP CATALOG. A banner below the navigation bar states "Symmetry Surgical is now part of Aspen Surgical." The main content area features a large image of surgical scissors and the title "Quick Cross" with the subtitle "Cross reference any competitor part number." Below this, there is a text input box labeled "One item per line." with a "(Limit 1)" note. To the right of the input box, there is a "SEARCH INVENTORY" button. Further right, there is a section of text explaining the tool's purpose and usage, including a link to get started.

Symmetry Surgical is now part of Aspen Surgical.

Quick Cross

Cross reference any competitor part number.

One item per line.

(Limit 1)

SEARCH INVENTORY

Quick Cross is the fastest way to cross reference any competitor part number. You can also add products in bulk to your cart!

If you have a Symmetry Surgical web account, please [login](#) to enter up to 200 competitor part numbers in the box to the left. After entering your part numbers, click 'Search Inventory' and your results will appear to the right.

To enter your part numbers, you may type in each code, or cut and paste from Microsoft Word or Excel; just make sure that each item number is on a separate line. Also, you may enter a quantity for each line item. For example, to add a quantity of 3 for product code 9050, the line should read "9050 3."

3. After Submission is Processed: Receive email from info@symmetrysurgical.com with a link to set your login password

The screenshot displays the Symmetry Surgical website's login interface. At the top, a navigation bar includes links for Promotions, Service & Support, News & Events, Login, and a Cart icon. Below this is a red header with the Symmetry Surgical logo and a menu with links to Our Company, Products, Resources, Quick Cross, and Shop Catalog. The main content area features three sections: LOGIN, NEW ACCOUNT, and FORGOT PASSWORD. The LOGIN section has fields for USERNAME and PASSWORD, a Remember Me checkbox, and a LOGIN button. The NEW ACCOUNT section includes a link to NEW ACCOUNT and a link to EXISTING CUSTOMER. The EXISTING CUSTOMER link is circled in blue, and a blue arrow points from it to an inset window showing the 'CURRENT CUSTOMER WEB ACCESS REQUEST' form. This form contains fields for Facility Name, First Name, Last Name, Email, Job Title, and Symmetry Surgical Account ID. It also includes a checkbox for 'Check if you do not know your Symmetry Surgical Account ID' and a text area for 'If you need access to place orders for more than one facility, please list all Symmetry Surgical Account numbers here separated by semicolon.'
