

GENERAL SURGERY

At Symmetry Surgical, we offer a wide portfolio of general surgery instruments, devices and solutions, including trusted brands like Bookwalter® and Olsen®, so surgical teams can choose the right instrument and technique for every patient.

Whether surgical needs are in open or laparoscopic surgery, our **general surgery** portfolio contains more than **11,000 instruments** and devices that offer the flexibility and dependability surgical teams need in every procedure. They are the trusted, hand-crafted tools that function as an extension of the surgeon's hand.
