

Colpo-Master™ Colposcopes

Bovie introduces the new Colpo-Master™ line, a perfect addition to the already popular line of gynecologic products. The line of colposcopes offers superior, 3D, stereoscopic viewing with excellent clarity during gynecologic procedures where millimeters matter. The scopes are available with consistent and dependable zoom range including simple 3 point magnification (3.75x, 7.5x and 15x) or continuous zoom 4 – 27x magnification. For the EMR ready facility the Colpo-Master line is available with Trinocular camera-ready heads to provide quick and easy visual records of treatment. All Colpo-Master Colposcopes are backed by a 7 year limited warranty. Paired with the Aaron 1250-G Electrosurgery System with Smoke Evacuation for a complete GYN LEEP system.

Colpo-Master™ I

Camera-Ready Trinocular head with camera mount

Low center of gravity increases stability, while EZ-Roll locking casters provide smooth gliding movement between exam rooms.

CS-103LED includes 3-legged base as shown. Also available as CS-105LED with 5-legged base.

Colpo-Master™ is a registered trademark of United Products and Instruments, Inc; DBA UNICO

COLPO-MASTER™ I ZOOM SUSPENSION ARM COLPOSCOPES

The Colpo-Master™ is perfect for the GYN performing both exams and procedures. The swing-arm design allows easy access to the vaginal canal during surgical procedure.

Colpo-Master™ I features smooth, continuous zoom 4 – 27x magnification with 20x eyepieces and sharp focus for 3-D imaging. Available with Binocular or camera-ready Trinocular heads with 298mm working distance. The field of view (FOV) ranges from 58.5mm at 4x to 8.5mm at 27x. All models with your choice of 3 or 5 leg sturdy mobile bases.

Designed with your viewing comfort in mind; each model has dual diopter adjustments to independently adjust the focus of both Left and Right eyepieces to eliminate eyestrain. Camera-ready Trinocular models allow the user to view through both eyepieces while using the camera.

Colpo-Master™ I's Suspension Arm is rock-steady. To make head positioning easy it comes with locking casters and stainless steel handlebars, standard.

Complete with dust cover, power cord, manual, tool kit and 7 Year Limited Warranty, 1 year on electrical system (excludes bulbs and fuses). Optional accessories are available - please contact your Bovie Representative for additional information.
