

CARDIOVASCULAR AND THORACIC SURGERY

At Symmetry Surgical, our wide portfolio of high-quality cardiovascular and thoracic surgery solutions means surgical teams can choose the right instrument and technique for each patient and procedure.

We understand the nuances in cardiovascular and thoracic procedures and ensure sharp scissors provide precision while vascular clamps are strong but delicate enough to avoid tearing vessels. Within the **CVT portfolio** of nearly **2,000 instruments**, there are an array of tools to help teams operate with highest efficiency and safety.
