TEAM MEMBER ELIGIBILITY AND GUIDELINES

The Breakers' group insurance "Plan Year" is September 1 through August 31.

Benefit eligible team members are provided an opportunity to enroll in The Breakers' company sponsored benefits program during their first 60 days of employment, after a qualifying life event, and Annual Open Enrollment.

Full-time team members working thirty (30) hours per week or greater are eligible. To remain eligible, you are required to average thirty (30) or more hours per week during your annual 12 month hours worked measurement period. We count all hours for which you are paid, including paid leave and paid time off (Personal, Medical Reserve, Vacation and Community Service Hours). For additional information on the 12 month hours worked measurement, contact the Benefits Team.

Part-time and on-call team members can refer to the Part-time/On-call Benefits Guide to review the benefits available for enrollment after the completion of 1,040 hours in the measurement period.

*TIP: It is important to enroll prior to the date your coverage is effective.
It is recommended to select benefits within the first 30 days of employment.*

ENROLLMENT INSTRUCTIONS

As a Breakers full-time team member, you are eligible for insurance benefits on the first of the month following 60 days of employment or change in status.

Log into our self-service enrollment platform, **PlanSource**, to complete your enrollment.

Log on to: <https://thesource.plansource.com/thebreakers>

A. Username: Your Team Member ID (Ex: 123456)

B. Password: 8 digit DOB in the mmddyyyy format (Ex: 05021997)

DEPENDENT ELIGIBILITY

A dependent is defined as a covered team member's legal spouse or an unmarried dependent child of the team member or team member's spouse. Dependent child(ren) will be covered through the end of the month in which they turn age 26. A dependent child is defined as:

- A natural child
- A step-child
- A legally adopted child
- A child placed for adoption
- A child for whom legal guardianship has been awarded to the covered team member or the team member's spouse
- Unmarried children of any age who become mentally or physically disabled before reaching the age limit

PROOF OF DEPENDENT ELIGIBILITY

Please be prepared to provide proof of relationship (i.e. birth certificate, marriage certificate or previous year tax return) if you are enrolling your spouse or children in any of your plans along with dates of birth and social security numbers for each family member.

BENEFICIARY REMINDER

Full-time team members are required to add beneficiary contact information for the basic life insurance and accidental death and dismemberment coverage that is provided at no cost to you.

VERIFY ELECTIONS

After you enroll in The Breakers' company sponsored benefits program, it is your responsibility to check on ADP's portal to ensure the benefits you elected are included and the correct amount is being deducted from your paycheck. Any corrections must be made within the first 30 days of your effective date of coverage.

ENROLLMENT CHANGES: QUALIFYING EVENT

Coverage elections made during Open Enrollment may not be changed until the next annual Open Enrollment period.

The only exception to this IRS Section 125 Rule is if you experience a "Qualifying Event." A Qualifying Event allows you to make a change to your benefit elections within 30 days of the event.

Examples of Qualifying Events include, but are not limited to:

- Marriage
- Divorce
- Birth, adoption, or legal custody of a dependent child
- Involuntary loss of other group insurance coverage
- Death
- Spouse's Open Enrollment

If you have a Qualified Event that allows or requires you to make a status change, you must contact the Benefits Department within 30 days of the event to make changes to your benefit elections.

Please be advised that this guide provides you with *only* a general summary of the benefits available to you and your eligible dependents. Please refer to the Summary Plan Descriptions available on the Benefits Hub (thebreakers.com/benefits) for more information. Additionally, the medical Summary of Benefits and Coverage descriptions are embedded into the online enrollment portal, located on <https://thesource.plansource.com/thebreakers>

MEDICAL INSURANCE

The Breakers provides three plan options through Blue Cross Blue Shield of Florida. The plans offered are:

STANDARD IN-NETWORK ONLY	DELUXE IN-NETWORK ONLY	CHOICE PLAN IN OR OUT-OF-NETWORK
-----------------------------	---------------------------	-------------------------------------

The **Standard** and **Deluxe Plans** are In-Network only plans, however all three plans are open-access and do not require you to select a Primary Care Physician (PCP) or obtain a referral to seek care from contracted specialists.

The **Choice Plan** provides benefits when you seek care from providers Out-of-Network. While you have the flexibility of seeking care from non-contracted providers, your benefits will be reduced and may be subject to balance billing for amounts over Blue Cross Blue Shield of Florida's recognized charges. You will receive maximum levels of benefits when you use Blue Cross Blue Shield of Florida's preferred providers.

EXPLANATION OF PLAN YEAR DEDUCTIBLE & PLAN YEAR OUT-OF-POCKET MAXIMUM

Plan Year Deductible

The Plan Year Deductible is a specified dollar amount that you must pay for certain covered services per plan year. There are individual and family deductibles. Once an individual or a family deductible has been satisfied, then coinsurance applies, if applicable. Coinsurance is your share of the costs of a health care service. It is the amount a member pays after the deductible has been met.

Plan Year Out-of-Pocket Maximum

The Plan Year Out-of-Pocket Maximum is the amount of covered expenses, (including deductible, coinsurance, and copayments and pharmacy copayments) that must be paid by you, either individually or combined as a covered family.

After the individual/family out-of-pocket maximum has been satisfied in a plan year, payment for in-network covered services requiring copayment and coinsurance for that covered individual/family will be payable by Blue Cross Blue Shield of Florida at the rate of 100% for the remainder of the plan year, subject to any other terms, limitations and exclusions.

Blue Cross Blue Shield Concierge

The Breakers provides a dedicated concierge to assist you with choosing the correct plan for you and your family, medical claim issues, finding an in-network provider, and answers any questions you may have.

WELLNESS INCENTIVE

Team members and spouses enrolled in The Breakers health plan are strongly encouraged to participate in the Wellness Incentive. Completion of a biometric screening is all that is required to earn the monetary savings incentive.

- **Why screen?** Knowing your key health metric numbers can safeguard your health, indicate your risk for certain health conditions and prompt appropriate action to reduce chances of developing heart disease, diabetes and other major illnesses.
- **When to screen?** Once you are enrolled in The Breakers medical insurance.
- Team members and spouses on The Breakers’ medical plan can each earn a \$600 savings on their annual insurance plan premium by completing one easy step - a biometric screening.
- For team members currently on the medical plan, screenings completed between September 1, 2026 - June 30, 2027 are eligible to earn the savings for plan year beginning September 1, 2027.
- Team members (and spouses) new to the plan can schedule a biometric screening once your PlanSource enrollment is completed.
- There is no cost to the team member or spouse for the screening.
- All personal health information including screening results are managed by Marquee Health through an electronic medical record and HIPAA compliant portal.
- No individual’s personal health information will be shared with The Breakers.
- Lab results will be shared confidentially with the team member or spouse by Marquee Health.
- A biometric screening includes measurements for height, weight, waist circumference, blood pressure, glucose (fasting), triglycerides and cholesterol.
- To learn more about your biometric screening results and overall well-being, health coaching is offered at no-cost by the Marquee Health team in the Wellness Clinic.

Three options to complete the screening include *(lab results through any other source are not accepted)*:

DENTAL INSURANCE

The Breakers provides dental insurance through Cigna. You have a choice of a DHMO or PPO plan. The DHMO plan offers In-Network only coverage and requires you to select a Primary Care dentist. The PPO plan has three levels of care: PPO Advantage contracted dentists, PPO contracted dentists and Out-of-Network (non-contracted dentists) coverage.

DHMO IN-NETWORK	PPO IN OR OUT-OF-NETWORK
--------------------	-----------------------------

The chart below highlights the advantages of these three levels. When you choose a dentist outside of the Cigna PPO network, your out-of-pocket costs will be higher and you may be subject to “balance billing” for provider fees that exceed the contracted or Usual Customary & Reasonable (UCR) fees allowed by the Cigna contract. You can locate participating (In-Network) dental providers by visiting the Cigna website.

If enrolled in the PPO plan, simply let your dentist know you are covered by Cigna. A member ID card is not necessary. If you want a card, you may download the app or go to the secure Cigna member website.

Please Note: PPO - Maximum benefits are based on a plan year. Benefits are subject to a Fee Schedule, located on PlanSource.

VISION INSURANCE

The Breakers provides vision insurance through VSP. The VSP vision program provides affordable and quality vision care. Through VSP's provider network, you can obtain a comprehensive vision examination, as well as eyeglasses (lenses and frames) or contact lenses in lieu of eyeglasses.

Simply let your eye care provider know you are covered by VSP. A member ID card is not necessary. If you want a card, you may go to the secure VSP member website at vsp.com, click to sign up as a VSP member and you can print out a VSP Member Vision Card.

Carefully review the vision care program summary provided and take advantage of this very important benefit.

FLEXIBLE SPENDING ACCOUNT (FSA)

FSA, or Flexible Spending Account, is a benefit you can choose during the FSA Open Enrollment or New Team Member Enrollment. By contributing pre-tax dollars to an FSA, you can save an average of 30% on health and dependent care costs. The money you contribute is not subject to payroll taxes, which can result in substantial tax savings!

- **Plan year: Health Care FSA & Dependent Care FSA - January 1 to December 31**
- Enrollment available on PlanSource during November, effective the following 1st of January
- You are required to re-enroll and re-elect coverage each plan year on PlanSource

How much should I contribute?

You decide how much money you want to contribute for the year up to a maximum of **\$3,400**. To receive the maximum savings, you must carefully estimate the amount of eligible out-of-pocket expenses you will have for the year. The amount you designate for the year is divided into equal installments each pay period and placed in an FSA account.

Use it or Lose It - Rollover Allowance

If you do not incur eligible expenses for the full amount you elected to put in your Health Care FSA in the current plan year, federal guidance permits you to rollover unused amounts up to \$680 for expenses in the next year. Even if there is not an FSA election for the following plan year, you have the chance to spend up to \$680 of your election on out-of-pocket health care expenses in the following year.

Health Care FSA

Choose this FSA to pay for copays, medical equipment, prescriptions, dental and vision expenses you or your family incur.

Eligible Expenses:

- Acupuncture
- Chiropractic care
- Doctor and Dentist copays
- Eyeglasses and contact lenses
- Glucose kits
- Hearing aids and batteries
- Infertility treatment
- LASIK
- Orthodontia
- Prescriptions

To view a list of eligible expenses, visit ebcflex.com/eligibleexpenses

FLEXIBLE SPENDING ACCOUNT (FSA)

Dependent Care FSA

Dependent Care FSA funds may be used to pay for expenses you incur for the care of dependent children under age 13 or any disabled dependent who lives with you and who you claim on your taxes.

For a dependent care expense to be eligible for reimbursement from a Dependent Care FSA, the care must enable you and your spouse to work, actively look for work, or attend school full-time.

Up to **\$7,500** can be set aside for this purpose if you are single or married and file a joint tax return. If you are married and you and your spouse file separate tax returns, the maximum that each of you can contribute is **\$3,750**.

Funds are available after payroll deductions are credited to your Dependent Care FSA account.

Eligible Expenses

Expenses that are eligible for the Dependent Care FSA can also be eligible for a tax credit on your federal tax return. Keep in mind that you cannot claim the same expenses for the Dependent Care FSA and the tax credit. Talk with your personal tax advisor to determine which alternative is best for you.

Child Care

- Child care at home or at a day care facility
- Sick child care center or facility
- 3K or 4K
- Nursery or preschool
- Before and after school programs
- Day camp (may include sports camp, computer camp, etc.)
- Transportation fees provided by the dependent care provider for transportation to/from where care is provided.

Adult Care

- Adult day care center
- Custodial elder care (in-home or away from home)
- Transportation fees provided by the dependent care provider for transportation to/from where care is provided.

DISABILITY INSURANCE – THE HARTFORD

EMPLOYER PAID

Short Term Disability (STD)

Full-time team members are automatically enrolled in The Breakers' STD program at no cost to you. In the event you become disabled due to either illness or off the job injury and are unable to perform the duties of your job, STD coverage will supplement your lost wages. New mothers are also eligible for STD benefit, either 4 weeks for regular delivery or 6 weeks for cesarean section. STD coverage begins after missing 14 days due to a medically certified illness or injury. Benefits are payable up to a maximum of 11 weeks of disability. The benefit pays 50% of weekly earnings up to \$1,000 per week.

Long Term Disability (LTD)

Full-time team members are automatically enrolled in The Breakers' LTD program at no cost. After Short-Term Disability is utilized, there is a 90-day elimination period before LTD coverage will start paying you for lost income. If you are approved, the plan will provide for lost wages in the event that you are unable to work due to sickness or an off the job injury, until you reach the maximum benefit period.

Contact The Benefits Team for assistance with filing a claim at benefits@thebreakers.com.

VOLUNTARY BENEFITS – THE HARTFORD

All voluntary benefits are available to full-time team members through post-tax payroll deductions and are portable at the same rate. Your spouse and child(ren) are also eligible for coverage. Any child(ren) must be under age 26.

Voluntary Hospital Indemnity Plan: Provided by The Hartford

Hospital Indemnity insurance works to complement medical coverage and pays in addition to what a medical plan may or may not cover. Pays a flat amount after the first day of hospital confinement (\$1,000) with up to three admissions per year. Plus, a specific daily amount paid for each additional day of hospital confinement. This plan also pays an additional benefit for confinement in an Intensive Care Unit.

Voluntary Accident Insurance Plan: Provided by The Hartford

Protect against the unexpected costs associated with an accidental injury off-the-job. Provides cash for medical expenses (even if covered by medical insurance) including, but not limited to, hospital admission and confinement, dislocations, fractures, burns, lacerations, emergency room visits, medical appliances and accidental death and dismemberment benefits. This plan includes a Health Screening Benefit in the amount of \$100 payable annually per covered person.

Voluntary Critical Illness with Cancer Coverage Plan: Provided by The Hartford

Pays a lump sum benefit directly to you, over-and-above any other coverage presently in-force to help offset the high costs associated with the treatment of a covered critical illness such as heart attack, stroke, end stage kidney failure, cancer and more. There is a Health Screening Benefit in the amount of \$50 payable annually per covered person with this policy.

- Guaranteed Issue - No health questions to enroll as a new hire or during our annual open enrollment up to a \$40,000 benefit
- Family Coverage Available - Spouses covered at 100% and children under the age of 26 are covered at 50% of your benefit election

Why do I need it?

- Out of pocket expenses add up quickly, since major medical insurance may only pick up part of the tab
- Help ease the unplanned financial burden of an accident
- Complements other insurance you may have, including major medical and disability coverage
- Additional layer of financial protection may make a difference at a time when you and your family need it most

The lump sum benefit can be used towards:

TRUSTMARK LIFE + CARE

If ever there's a time you can't care for yourself, things may get difficult – and expensive. Finding caregiving can be a challenge, and care can cost hundreds of dollars a day.

It can happen at any age, to anyone: something goes wrong, and you start needing assistance with the basics of everyday life. When that happens, Trustmark Life + Care® pays cash benefits that can help you afford the comfort and quality of care that you deserve. Plus, it doubles as life insurance, with a death benefit payable to those who rely on you.

Why Trustmark Life + Care?

1. Two-in-one coverage: receive both permanent life insurance (death benefit) and care benefits for one affordable rate.
2. Benefits can help with the cost of care when the time comes, so you can avoid depleting your Retirement savings or overburdening family members.
3. Care benefits are paid to you when you receive caregiving services from either a professional or a family member.
4. Guaranteed to last a lifetime: once you have coverage, your rate doesn't increase as you get older.

How Care Benefits Work

Long Term Care and Life Insurance Policy from Trustmark available in the following increments: \$20,000, \$35,000, \$50,000, \$65,000 \$80,000, \$100,000.

Trustmark Life + Care pays benefits in cash, directly to you, when you require help with at least two of six activities of daily living (for example, eating, bathing, or dressing) or have a severe cognitive impairment (such as Alzheimer's Disease).

Plus, care benefits paid do not reduce the death benefit, so a full death benefit is available to your beneficiaries even after you receive care benefits! This can dramatically increase the maximum value of your coverage. Note: because your condition does not have to be permanent to receive benefits, the money you receive can help you recover your independence.

The death benefit reduces to 33% at age 70 or your 10th certificate anniversary, whichever is later. However, your care benefits never reduce and remain at the same high level into your later years.

Spouse Coverage – Apply for Trustmark Life + Care coverage for your spouse as well as for yourself. Your spouse's plan will include the same features as yours. (Spouse coverage amount is capped at a portion of employee amount.)

Medicare Part D Creditable Coverage Notice

Important Notice from The Breakers of Palm Beach, Inc.

About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The Breakers of Palm Beach, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Breakers of Palm Beach, Inc. has determined that the prescription drug coverage offered by The Breakers of Palm Beach, Inc. is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan while enrolled in The Breakers of Palm Beach, Inc. coverage as an active employee, please note that your The Breakers of Palm Beach, Inc. coverage will be the primary payer for your prescription drug benefits and Medicare will pay secondary.

As a result, the value of your Medicare prescription drug benefits may be significantly reduced. Medicare will usually pay primary for your prescription drug benefits if you participate in The Breakers of Palm Beach, Inc. coverage as a former employee.

LEGAL NOTICES

You may also choose to drop your The Breakers of Palm Beach, Inc. coverage. If you do decide to join a Medicare drug plan and drop your current The Breakers of Palm Beach, Inc. coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The Breakers of Palm Beach, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

Part A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12% of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage

is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.¹²

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period¹ for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage. In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

LEGAL NOTICES

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

How Can I Get More Information?
For more information about your coverage offered through your employment, please check your health plan’s summary plan description or contact your plan administrator.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☐ All employees. Eligible employees are:

☒ Some employees. Eligible employees are:

- Employees working 30 or more hours per week

• With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

- Spouse or domestic partner and children up to age 26 or 30, if they qualify

☐ We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2026. Contact your State for more information on eligibility.
