Back-Up Child, Adult, and Elder Care

Don't stress about school breaks, bad weather, or when your elder loved one is recovering from surgery. Reserve high-quality child care in a center or in-home care for your child, adult, or elder relatives. You may utilize this service at an affordable rate of \$15 per child per day or \$25 per family per day for center based care or \$6 per hour for in-home child, adult or elder care.

Return-to-Work Care

Going back to work post-leave can be overwhelming, but you have an extra 10 back-up care days to use in your child's first year. Visit the special programs section on the back-up care site to learn more.

Elder Care Support
