

At some point in our life most of us will have to make caregiving decisions for a loved and/or someone will have to make them for you.

Is your and/or your loved one's vital information organized, accessible and up to date? If the unexpected happened, would you have what you need?

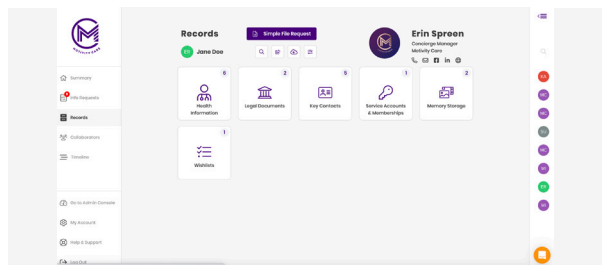

You can be better prepared for now and the future.

The Support You Need: Concierge Services

Having Motivity Care means you can always connect with a live concierge manager that provides solutions for any adult caregiving challenge. **Whether you need support with:**

- Doctor's appointments
- Finding an aide
- Aging at home
- A financial care plan
- Medicare question
- Eldercare attorney
- Other adult care related questions

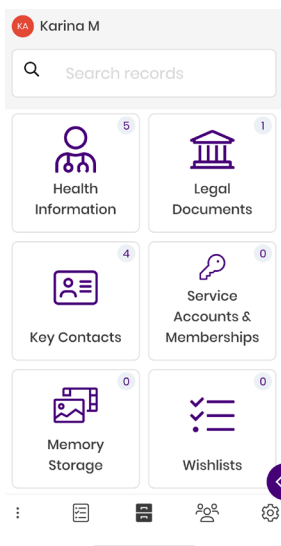

You never pay for any service you haven't agreed to. You will receive up to three trusted vetted options, customized to your budget and needs.

The Breakers is pleased to offer a new employee benefit to support team members.

The Motivity Care Life Intell Platform allows you to store everything you need to safely share it with family, providers and care partners: medical, legal, financial and personal.

- Your new benefit has **global bank level security** accessible 24/7
- App and desktop
- You have control over your or your loved one's information
- You decide who sees what information: all, partial or down to a document
- Available in English and Spanish
- User friendly
- Affordable: The Motivity Care Life Intell Platform is only \$15 a month
 - Additional accounts are only an extra \$5 a month

Whether you are caring for aging adults and/or need to make sure you have all your needed information secure, accessible, and up to date for your loved ones
