perforce Gliffy

Feature Comparison: Gliffy's Atlassian Marketplace Apps

Gliffy offers three different versions of its technical diagramming app for Confluence:

- Gliffy Diagrams for Confluence Cloud (for Atlassian's Commercial Cloud)
- Gliffy Diagrams for Confluence Data Center
- Gliffy Diagrams | Zero Egress & Isolated Cloud-Ready (Runs on Atlassian)

Each version of Gliffy has the same interface and basic controls with some variance in features. Reference the chart below for more detail.

CREATING & EDITING DIAGRAMS
