RIO VELVETS

The glorious exuberance of the Mardi Gras has been captured in these two magnificent printed velvets.

A riot of colour and pattern, BARCELONA is an extraordinary patchwork of fantasy blooms divided by bands of small decorative motifs and the gorgeous RIO echoes the theme with a clever collage of abstract designs.

Both these superb, sensuous velvets have been printed with amazing clarity in a palette ranging from bright vivid colours to deeper jewel like and subtly sophisticated shades.

SALVADOR, a luxurious cut velvet fine stripe, with a harmonising palette, together with five fabulous new colours of LANGDALE complete this spectacular and exciting collection.
