WINTHROP COLLECTION

The Winthrop Collection expands on Blithfield's tradition of beautifully printed and woven fabrics in a distinctive color palette, inspired by documents from around the world. Nine beautiful fabric designs comprise the collection including Aylesbury and Chauvet, elegant jacquards in sumptuous colors based on antique embroideries. Anoushka, a jewel tone paisley, and Simsbury, a classic floral, are complemented by the colorful textured geometrics Amesbury, Colby, Compton and Windsor Stripe. Saltaire is also introduced in three striking new colorations to round out the collection.
