ODYSSEY COLLECTION

Threads **Odyssey** is a collection of cool, modern statement designs. An extraordinary interplay of textures has been used to create stunning, innovative weaves ranging from the dramatic darkness of 'Elektra' and 'Star Fire' emblazoned with gold and bronze sequins to the serene sophistication of 'Moonstone' and 'Rana'. Three luxurious velvets; 'Odyssey', a striking design of raised squares outlined by glistening metallic threads and the exquisitely soft and supple 'Mercury' are countered by the abstract print of the bold and colourful 'Saturn'.

Displaying a fascinating range of pioneering techniques, demonstrated by the intricacies of 'Solaris' and 'Moonmist', the **Odyssey** palette reflects the changing night skies from a luminous star lit midnight to the soft grey tones of dawn. Effortlessly elegant, this collection defines the Threads approach to easy, stylish living while creating exciting interiors.
