KELLY WEARSTLER

In her third collection with Groundworks, Kelly Wearstler presents a distinctively modern ode to the beauty of graphic and organic elements in a new collection of fabric, wallcovering and furniture. Natural luxuries and architectural forms come to life in instinctual compositions of line, color and space in coordinating wallcoverings and fabrics. Subtle with neutral, muted colorways and fine-scale details, and bold with large-scale silhouettes and hints of metallic, the collection brings a distinguished voice and rich dimension to every environment.

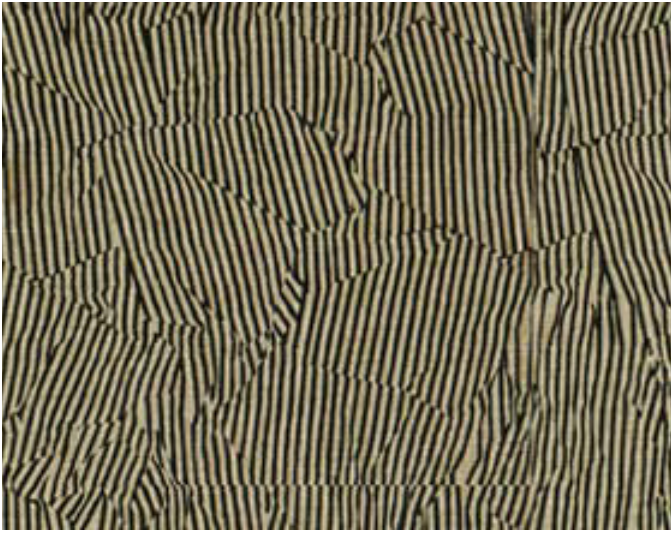

Designed to complement the fabric and wallcovering collection, the simple, fluid curves and clean, geometric lines of the exclusive, new Kelly Wearstler furniture silhouettes infuse Kelly's signature aesthetic in a thoroughly modern refined effect.

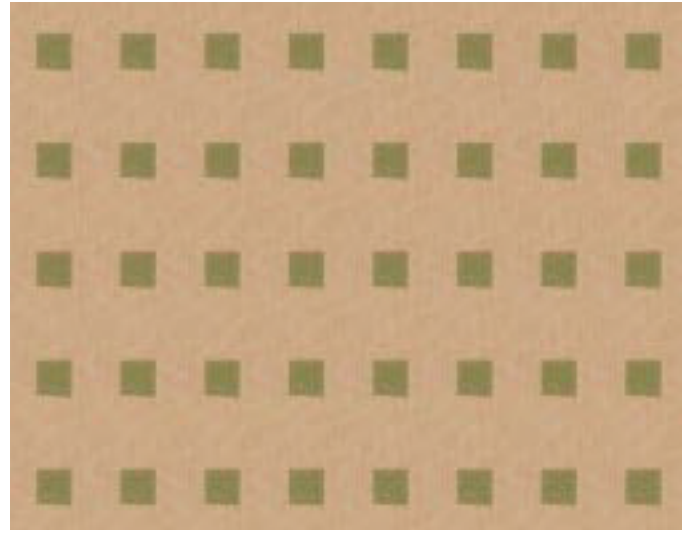

"SIMPLE, FLUID
CURVES AND
CLEAN, GEOMETRIC
LINES ALLOW
THE LUXE
MATERIALITY OF THIS
COLLECTION TO
EXUDE A SPIRIT OF
ORIGINALITY AND
REFINEMENT."
