

THOMAS O'BRIEN  
TEXTILES

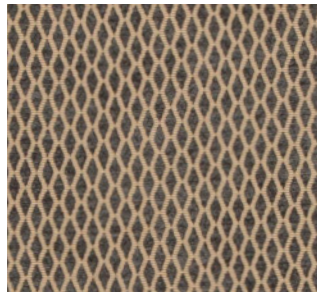

groundworks<sup>AT LEEJOFA</sup>

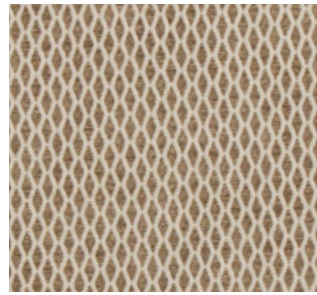

For his fifth collaboration with Groundworks, celebrated designer Thomas O'Brien brings his discerning eye and flair for mixing old world inspiration with modern design to a stunning new collection, Vol.V. His iconic style is translated into three sophisticated patterns in an array of rich earthy tones – an abstract textured velvet, a batik-inspired print, and the popular Eddie Chenille, which has been recolored in handsome new shades.

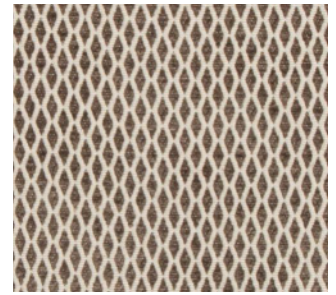

EDDIE CHENILLE • BLUE/TAUPE
