LEE JOFA®
FURNITURE

Inspired by a love of architecture and the purity of form, Kelly Wearstler's first furniture collection for Lee Jofa features a modern fusion of organic and graphic furniture silhouettes in iconic and distinctive designs. The simple, fluid curves and clean, geometric lines allow the luxe materiality of the collection, from metallic and Venetian plaster to textured woods and textural leathers, to exude a distinguishing spirit of originality and refinement into any space.

For her third and latest collection of fabric and wallcovering for Groundworks at Lee Jofa, Kelly introduces a coordinating assemblage infused with her signature spirited design. Natural luxuries and architectural forms come to life, bringing a distinguished voice and rich dimension to this lifestyle collection.
