

Jada

Jada Vineyard & Winery, Willow Creek District, Paso Robles

Where the intensity of elevated sunshine, high pH soils and ocean influences come together with our aspirations for Syrah and Cabernet Sauvignon.

2019 SawBones

50% Cabernet Sauvignon, 37% Syrah, 7% Petit Verdot, 6% Graciano • 496 cases produced

Jack's nickname as a cardiovascular and thoracic surgeon.

THE REGION

The Willow Creek District has loam and calcareous hillsides resembling the Southern Rhone. Proximity to the ocean draws cooling afternoon winds creating large diurnal temperature swings that extend the growing season - increasing complexity and intensity. Willow Creek became an official AVA subregion in 2014.

THE VINEYARD

The mixed soils of the site were planted in 1999. We farm using organic, biodynamic, and sustainable farming techniques and in 2018, we received a SWEEP grant from the CDFA for our commitment to sustainability.

THE 2019 VINTAGE

- The 2019 vintage saw moderate temperatures from bloom through the end of October, marked by only brief, low-intensity heatwaves.
- Lower temperatures allowed for uninterrupted ripening and longer hang times, resulting in extremely dark and aromatic fruit from all varieties.

THE VINIFICATION

Winemaker: Joshua Harp

All grapes were hand harvested before dawn with vineyard cluster sorting and winery berry sorting. Harvest ranged from October 17 to October 29. Each lot underwent 24 hour cold macerations before fermentation. The grapes were fermented in stainless steel, closed-top tanks for 7-8 days.

- Alcohol: 15.1% | ph: 3.50 | TA: 6.9 g/L
- Bottled: June 24, 2021

features:

- 15 miles from the Pacific Ocean's strong cooling influence
- Clay loam and limestone-rich calcareous soils impart natural acidity
- High pH soils provide dark colors ideal for Rhone and Bordeaux varietals
- 1000' elevation is just above the the fog line.
- Abundant sunshine in the growing season

clone/rootstock:

- Cabernet Sauvignon: 4/5BB, 337/5C, Palmer/SO4
- Syrah: 383/ 420A
- Petit Verdot: Abreu/ 5C • Graciano: 571/ 1103P

- Harvest began nearly two weeks later than 2018, likely due to the cooler temperatures and later bloom and fruit set, but continued into November.
- Fermentations revealed higher color than expected from the vineyard, paired with balanced tannin and no over-ripe flavors

fermentation:

- Blend of five separate fermentations: Syrah (clone 383)/ Graciano co-fermentation, Cabernet Sauvignon (clone 337)/ Syrah (383) co-fermentation, Cabernet Sauvignon (clones 337/4)/ Petit Verdot Co-fermentation, Cabernet Sauvignon (337), and Cabernet Sauvignon (clones 4/Palmer).
- 15 Months, 13 days in 77% new French oak, 23% neutral French oak. .
- 72% 225L, 10% 228L, 10% 500L, 8% 350L barrels
- Cooperages: Darnajou, Sylvain, Claude Gillet, Montgillard, Ermitage.
- The wine was bottled unfiltered.
