

DRYING RACK SYSTEM

Experience Unmatched Hygiene, Efficiency & Reliability

Discover a safe, sanitary, and customizable drying solution with Camshelving® Drying Racks. Designed to hold domes, bases, trays, food pans, and various kitchen wares, our racks maximize space while promoting faster, more sanitary drying.

Our modular drying cradles fit securely on 24" deep Camshelving Premium®, Elements®, and Basics Plus® Series, allowing you to hold trays, bases, or domes on a single rack. The Camshelving Pegboard system accommodates lighter items, such as drain shelves, tongs, spoons, ladles, or spatulas.

- A cost-efficient and labor-saving solution
- Eliminate wet stacking for sanitary storage and improved hygiene
- Mix and match with removable drying cradles for custom needs
- Save space with a compact footprint
- Lifetime warranty against rust and corrosion (including casters!)
