

Heartland

Start your next chapter now

Heartland Dealer Program

Get ready to provide today's retailers and restaurateurs with the modern point of sale technology they need now more than ever.

As a Heartland Dealer, you'll give your clients secure, efficient, cost-effective software that equips them to respond quickly to shifting market conditions. It's a win-win: You grow your revenue stack by helping businesses stay profitable and competitive.

POS program benefits

- Choose cloud SaaS or PaaS
- Deploy powerful, customizable and easy-to-support POS solutions
- Retain competitive margins
- Build additional income with our Stronger Together referral program
- Qualify for lavish annual incentive trips and Heartland events
- Take advantage of Heartland resources and marketing assets
- Rely on 24/7 award-winning technical support whenever you need it
- Receive POS leads from marketing and trade shows

We are actively recruiting new partners. Contact us to learn how partnering with Heartland will benefit you and your clients.
