International SOS

GETTING THE MOST OUT OF YOUR HALLIBURTON'S SUBSCRIPTION BEFORE & DURING YOUR TRAVELS & EMERGENCY

With International SOS, you have access to Medical & Security Experts 24/7

This assistance subscription will provide expanded protection to deal with medical and security needs that might arise. Our doctors, security experts and assistance coordinators are available 24/7 to provide advice in your local language, and to support you with general medical questions, security questions, or emergent concerns. This service is included in your subscription.

PREPARE & PREVENT

Download the [International SOS Assistance App](#)
Turn ON your **Location and Notification Settings**

Use the International SOS Assistance App before and during your next trip for:

- Easy access to the local Assistance Centre, in an emergency and for everyday advice.
- Expert medical, security and travel assistance.
- Receive the latest information about their destination.
- A brief guide to the Assistance App is attached

Ensure your notifications are turned on and your location settings are enabled.
Ensure your profile has your up-to-date contact details for International SOS to communicate effectively with you.

Connect to the [International SOS Information Portal](#)
Access detailed information on more than 200 countries and 300 cities:

- Evaluation and analysis of health, travel and security risks
- Daily updates on travel security, disruptive incidents and situational developments
- Travel guides and cultural tips
- Subscription to proactive email alerts

Pre Travel Briefings

As part of your subscription, International SOS will systematically capture information about your travel by means of your itinerary in order to send you specific advice about your destination in the form of a Pre-Trip Advisory email. This informative email contains country-specific advice and recommendations on travel, security and medical risks.

WHY CALL US?

HEALTH & MEDICAL: Allergies, Asthma, Blood Pressure, Diabetes, Heart Disease, Infectious Diseases, Medication, Pregnancy, Vaccinations, Wound Care, etc.
