## Dear Members,

---

Thank you for being a 2021 Halliburton political action committee (HALPAC) contributor!

2022 offers many opportunities to connect with elected officials in Congress and state capitols about the important issues facing Halliburton and the oil and gas industry. While 2021 still challenged with the pandemic and the polarized outcome of a contentious election, we successfully shared our message with long-time allies and new elected officeholders. Although our outreach was mostly virtual, it was incredibly important to educate federal and state lawmakers on the Company's position on issues that affect our bottom line. As our industry evolves and adjusts to the changing domestic and global market – including the increased demand for oil and gas – relationships with the legislators who govern the way we work are critical to keeping our business competitive in today's global economy.

In 2021, HALPAC supported 40 candidates with contributions totaling nearly \$147,500. We plan to be even more active in 2022 and look to you, our members, to help us grow the PAC and shape public policy for years to come.

As our HALPAC membership grows, so has our charitable giving amount through the PAC match. For every contribution over \$100, Halliburton matches dollar for dollar to a charity of the member's choice. The charitable match contributions extend to hundreds of organizations including children's charities, schools, and medical research centers. Halliburton employees once again proved their generosity in 2021 by contributing \$187,000 to charity.

The extent to which we can be successful in shaping public policy depends on our ability to educate and build coalitions of lawmakers who support our vision. Halliburton employees play an integral part in these education and outreach efforts. You can make a difference by staying informed on public policy issues, voicing your opinion with elected officials, and contributing to HALPAC. We sincerely appreciate your support and your contributions to the PAC and hope we can count on your support in 2022 and beyond.

Sincerely,  
Todd Ennenga,  
Director of Government Affairs

## HALPAC Charitable Match Program

Halliburton values the contributions of its employees, not only to HALPAC but also to the communities where we live and work. To help our employees make the most of their contributions, Halliburton offers PAC-MATCH, a matching gift program. For every \$100 or more that you contribute to HALPAC, Halliburton will match that amount, dollar for dollar, and donate it in your name to a nonprofit organization of your choice. Over the last several years, as the generosity of our employees has grown through HALPAC, so has our charitable giving. Our charitable contributions extend to hundreds of organizations including churches, schools and research centers all aimed at improving the lives of those less fortunate.

## Top Twelve Charities by dollars matched

	St Jude Children's Research Hospital Inc		Texas Childrens Hospital
	American Cancer Society		Star Of Hope Mission
	Texas A&M Foundation		American Heart Association Inc
	Wounded Warrior Project, Inc.		American National Red Cross
	United Way Of Greater Houston		Village Learning Center Inc
	West Texas Food Bank		Duncan Regional Hospital Foundation

**Election Cycle:** For the purposes of this report, election cycle is the two-year period following the previous general election for federal office and ending on the date of the general election for that office.

## Candidate Support Criteria

HALPAC is an important element of HALPAC's ability to build positive relationships and educate elected officials about the issues that affect our company and industry.

Each year, Congress, state legislatures and other elected officials focus on issues that directly impact our company and our ability to do business. As we strive to meet our business goals, our efforts to communicate with and support candidates who share similar values and advocate for policies that will benefit business and our industry, are critical.

HALPAC carefully reviews contribution requests from state and federal government relations staff and suggestions from PAC members. A number of factors are considered when deciding which candidates will receive HALPAC contributions.

## These criteria are:

**High Halliburton constituent relationship in state or district (TX, LA, OK, CO, WY, etc.)**

**Leadership/Committee Chairs**

**Pro-Business Candidates (based upon voting records)**

**Open seats, where pro-business candidate has a chance to win**

**Races where pro-business incumbent is significantly challenged**

**Candidates who vote with us on our primary issues of concern  
(Energy, Trade, Tax, Environmental, Labor/Workplace/Human Resource)**
