

The image features a photograph of the United States Capitol building. The building is shown from a low angle, emphasizing its grandeur. The sky is a vibrant blue with some white clouds. A large, dark blue diagonal shape covers the top-left portion of the image. A red diagonal shape covers the bottom-left portion, creating a split-color effect. The text 'HALPAC' is in the top right, '2022 ANNUAL REPORT' is in the bottom left, and the website 'www.halliburton.com' is at the very bottom left.

DEAR MEMBERS

Thank you for your contribution to and membership in the 2022 Halliburton political action committee, HALPAC!

2022 brought its set of challenges, including global conflicts, the polarized outcome of a contentious midterm election, and the aftereffects of a global pandemic. Despite these, we successfully shared our position on issues that affect our bottom line with long-time allies and newly elected federal and state officeholders. As our industry evolves to meet the needs of the changing domestic and global markets – including the ongoing demand for oil and gas – strong relationships with the legislators who govern the way we work are critical to keep our business competitive.

In 2022, HALPAC supported 75 candidates with contributions totaling over \$290,000. We plan to be even more active in 2023 and look to you, our members, to help us grow the PAC and inform public policy for years to come.

As our HALPAC membership grows, our charitable giving increases through the PAC match. For every contribution over \$100, Halliburton matches dollar for dollar to a charity of the member's choice. The charitable match contributions extend to hundreds of organizations including children's charities, schools, and medical research centers. Halliburton employees once again proved their generosity in 2022 by contributing more than \$240,000 to charity.

2023 offers many opportunities to connect with elected officials in Congress and state capitols about the important issues facing Halliburton and the oil and gas industry. Our ongoing success depends on our ability to educate and build coalitions of lawmakers who support our vision. Halliburton employees play an integral part in these education and outreach efforts. You can make a difference by staying informed on public policy issues, voicing your opinion with elected officials, and contributing to HALPAC.

We sincerely appreciate your support and your contributions to the PAC and hope we can count on your support in 2023 and beyond.

Sincerely,

Todd Ennenga,
Director of Government Affairs

HALPAC CHARITABLE MATCH PROGRAM

Halliburton values the contributions of its employees, not only to HALPAC but also to the communities where we live and work. To help our employees make the most of their contributions, Halliburton offers PAC-MATCH, a matching gift program. For every \$100 or more that you contribute to HALPAC, Halliburton will match that amount, dollar for dollar, and donate it in your name to a nonprofit organization of your choice. Over the last several years, as the generosity of our employees has grown through HALPAC, so has our charitable giving. Our charitable contributions extend to over 150 organizations including churches, schools and research centers all aimed at improving the lives of those less fortunate.

SOME OF THE WORTHY CHARITIES

	St Jude Children's Research Hospital Inc		Texas Children's Hospital
	American Cancer Society		Star Of Hope Mission
	Texas A&M Foundation		American Heart Association Inc.
	Wounded Warrior Project, Inc.		American National Red Cross
	United way of Midland Texas		Village Learning Center Inc.
	March of Dimes		Duncan Regional Hospital Foundation

Election Cycle: For the purposes of this report, election cycle is the two-year period following the previous general election for federal office and ending on the date of the general election for that office.

CANDIDATE SUPPORT CRITERIA

HALPAC is an important element of HALPAC’s ability to build positive relationships and educate elected officials about the issues that affect our company and industry.

Each year, Congress, state legislatures and other elected officials focus on issues that directly impact our company and our ability to do business. As we strive to meet our business goals, our efforts to communicate with and support candidates who share similar values and advocate for policies that will benefit business and our industry, are critical.

HALPAC carefully reviews contribution requests from state and federal government relations staff and suggestions from PAC members. A number of factors are considered when deciding which candidates will receive HALPAC contributions.

THESE CRITERIA ARE:

-  High Halliburton constituent relationship in state or district (TX, LA, OK, CO, WY, etc.)
-  Leadership/Committee Chairs
-  Pro-Business Candidates (based upon voting records)
-  Open seats, where pro-business candidate has a chance to win
-  Races where pro-business incumbent is significantly challenged
-  Candidates who vote with us on our primary issues of concern (Energy, Trade, Tax, Environmental, Labor/Workplace/Human Resource)

Contributions to HALPAC and HALPAC Charitable Matching contributions are not deductible for federal income tax purposes. You may not receive any goods or services from the charity in connection with your matching contribution. This communication complies with legal, IT and ethics guidelines established by Halliburton PAC and federal election law. The HALPAC fund is for political purposes. Participation in HALPAC is purely voluntary and refusal to contribute will not result in reprisal. The suggested contribution amounts are a guideline. You are free to contribute more or less than the guidelines. You will not be favored or disadvantaged in employment by reason of the amount of the contribution or a decision not to contribute. Participants in HALPAC must not be represented by a labor organization, nor a salaried foreman or supervisor with direct supervision over hourly employees.
