

Ryan Training™

Ensuring you stay current on the latest tax knowledge and administrative best practices.

Canadian federal and provincial sales taxes are complex—and new changes and interpretations occur every month. To help keep you current, Ryan offers a range of professional education options designed to ensure you administer sales taxes correctly and efficiently, so you can avoid the consequences of paying too much, or too little.

As a client, you gain complimentary access to Ryan sales tax courses. All are taught by experienced tax experts who are among the most knowledgeable in the country.

Our instructional programs have garnered respect throughout the North American sales tax community and are recognized as industry-leading. Participants value not only the comprehensive and relevant content, but also the lively, interactive presentations.

To ensure that clients can take advantage of our advanced sales tax training, Ryan courses are regularly scheduled throughout the year and are available conveniently in both live classroom and online formats.

Ryan Training Centre

Courses in the Toronto area are held at the Ryan Training Centre, a dedicated, comfortable and fully equipped facility. We also regularly schedule seminars across North America and on site for many of our larger clients.

Best-in-class training.

Ryan courses are unrivalled in the Canadian tax industry. These professional development programs give participants a significant advantage in managing the tax function within their organizations.

A series of webinars is also available on our website, so you can take advantage of Ryan Training—*anywhere, anytime*.

MEET YOUR COURSE LEADERS

Our internal training, proprietary knowledge bank, and hand-picked recruiting continually produce some of the top sales tax instructors in the country—experienced professionals who not only understand the issues, but what those issues really mean to you.

No wonder Ryan experts are frequently called upon to present at meetings, conferences, and symposiums throughout North America, for organizations like CPA Canada, FEI Canada, Tax Executives Institute, and Institute for Professionals in Taxation.

Major professional groups and leading companies trust Ryan as the sales tax training expert. Doesn't it make sense to get that expertise working for you?

MORE THAN JUST HANDOUTS

All participants receive comprehensive course materials. These include electronic manuals containing detailed speaker's notes, which not only reinforce the advanced training acquired but also serve as a valuable reference guide.

Ryan ULC provides clients with tax consulting, recovery, compliance, advocacy, technology and other client-related professional services. Ryan ULC is a constituent entity of Ryan International, a Swiss Verein. Ryan International is a Swiss Verein whose member firms and constituent entities form a leading network of tax advisory and consulting firms, each of which may be licensed to use the name "Ryan" in connection with providing tax advisory and consulting services to its clients. The member firms of Ryan International and their constituent entities operate throughout North America, Europe and Asia in accordance with local regulatory requirements but are not a part of a single international partnership. The responsibility for the provision of services to a client is defined in the terms of engagement between the client and the applicable member firm or constituent entity. Neither Ryan International nor any member firm or constituent entity of Ryan International is liable or responsible for the professional services performed by any other member firm or constituent entity. Ryan International is not itself engaged in the practice of providing professional services. Rather, it is an international umbrella entity organized as a Verein under Swiss law. Not all member firms and constituent entities provide the full range of services mentioned within this brochure. "Ryan" and "Firm" refer to the global organizational network and may refer to one or more of the member firms of Ryan International, each of which is a separate legal entity.
