INTRODUCING NATE + JEREMIAH FOR LIVING SPACES

LIVE BEAUTIFULLY WITH AN EXCLUSIVE COLLECTION BY Nate Berkus and Jeremiah Brent
NATE + JEREMIAH FOR LIVING SPACES

Celebrated interior designers, Nate Berkus and Jeremiah Brent, bring you an elevated, exclusive collection for Living Spaces. Inspired by their travels and the things they have collected along the way. Each piece was designed to be mixed with what you already have and love, to help you create rooms that have the power to tell your story.

INSPIRED: LIV SOFA

The sofa Nate and Jeremiah always imagined in their own home—but couldn’t find at a reasonable price—this piece is their tribute to French interior designer and decorator, Jean-Michel Frank. His signature look of understated luxury is reflected in their use of Shearling inspired upholstery and a channeled back design.
**WHITLEY SECTIONAL**
Featuring strong rectangular lines and a deep, low-profile, the Whitley sectional is Nate and Jeremiah's family room solution. In fact, it's inspired by a vintage sofa they found on their travels and live with in their own home.

**• HIDE + CHIC •**
The NORAH STORAGE OTTOMAN delivers on promises of practicality and comfort, plus it looks great. For a more sophisticated feel, Nate and Jeremiah crafted this piece with clean lines and luxe materials. But you can — and should — rest your feet on it.

**CUSTOMIZE IT SPECIAL ORDER**
All of the pieces in Nate and Jeremiah's seating collection are available for Special Order, so you can choose from their hand-curated fabrics and customize any of their designs for your home. Learn more about the program in store.
The Latest

Nate and Jeremiah’s free-spirit SOANE SECTIONAL captures the wild and whimsical style of the 1960s. They love the bold color – a risk they’ll admit, but one definitely worth taking. With its tight back and curved shape, this piece could work in both a modern or traditional space.

Perch Potential

For easy additional seating, Nate and Jeremiah designed the pill-shaped MOHAVE FOOTSTOOL/OTTOMAN. Place by your coffee table or tucked underneath a console; it’s a stylish spot to land.
WE'RE OBSESSED

The ultra-contemporary highlight of Nate and Jeremiah's collection, their GWEN SOFA AND CHAIR are inspired by the modern architectural works of Zaha Hadid – ‘Queen of the Curve’ – and Santiago Calatrava, whose structures are heavily influenced by sculpture and movement.
### Ames Collection

The epitome of comfortable luxury, Nate and Jeremiah’s Ames Collection is elegant yet easy to live with. From the sofa’s soft, velvety upholstery to brass-capped tapered legs, special details abound and are inspired by mid-century Italian and Northern Italian design.

Many antique kitchen tables included shallow drawers in their aprons for storing utensils. To keep the tradition alive, “keeping drawers” are added here for tucking away napkins, placemats, even craft items.

Sure, we love what’s happening outside our MANSFIELD SOFA – from the shelter-height back, to the graceful roll arms, to the deep button tufting – but inside is just as exceptional. Its kiln-dried solid hardwood frame, 8-way hand-tied suspension and thick down blend cushions are as deluxe as it gets.

TALIN POWER RECLING SOFA W/ USB

“I work from home and don’t enjoy being at a desk for hours on end. Being able to keep my phone and tablet plugged into the USB rather than my laptop is super handy. Also, when I want to take a break or am done for the day, I can kick back the recliner and relax. Very comfortable and looks amazing.”

**ALBANY BEDROOM COLLECTION**

This furniture is really beautiful! Our room is not very large, so we didn’t want massive furniture. We were looking for something with nice lines, not too fussy, functional and of good quality. We love this furniture! Our mattress even feels better than it did on its metal frame. The delivery people were professional and on time. The entire experience, from purchasing to set up, was great.
