**As a proud partner of the 2019 Emmy Awards, Living Spaces will be donating furniture from the Governors Ball to two very deserving organizations: Hollywood Community Housing Corporation and Habitat for Humanity.*

Founded in 1989, Hollywood Community Housing Corporation (HCHC) transforms communities by creating affordable housing for neighborhoods that have been disfigured by crime. HCHC has revitalized Hollywood and surrounding communities through vibrant new housing complexes and restored historic properties.

Habitat for Humanity works with people all over the world to build or improve a place they call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage.
