

Living Spaces Prepares for Grand Opening of Twenty-Ninth Home Furnishings Store in Cibolo, Texas

On Thursday, December 16, 2021, top home furnishings brand, Living Spaces, will open its 29th retail store in Cibolo, Texas. Located just outside of San Antonio, this location marks the continuation of Living Spaces' acceleration of its brick and mortar and e-commerce business. Despite ongoing supply chain concerns, the brand has managed to maintain its position as a force to be reckoned with in the furniture industry. Thanks to the power and prowess of a dedicated team, Living Spaces is able to offer a vast selection of in-stock designs that are available for free next-day shipping.

In this day and age of massive delivery delays, it's refreshing for guests to get their pieces within a timely fashion, and Living Spaces is proud to be a part of their home transformation. "We can't think of a better way to close out this year than by welcoming a new store to our family," explains Grover Geiselman, founder and CEO of Living Spaces. "As a Texas native, I am particularly overjoyed to expand our operations here and to service more of my beloved home state."

At a whopping 127,000 square feet, the Cibolo location offers plenty of space for guests to soak up different styles and discover a wide variety of designs for their bedrooms, living rooms, dining rooms, offices, backyards and beyond. In addition to custom homes built within the store that serve to offer inspiration, this destination includes an indoor playground for the kiddos and a café and bar, complete with \$2 beer and wine, so everyone is well taken care of and ready to enjoy thrilling days of furniture-finding fun.

Living Spaces has partnered with a number of high-profile celebrity designers, including Joanna Gaines, Drew and Jonathan Scott, and Nate Berkus and Jeremiah Brent, to bring guests an exceptional level of taste, sophistication and quality at an incredible value. Shoppers are invited to discover collections that have the power to elevate their homes and improve their lives.

Living Spaces also offers a full range of aesthetic options to please anyone – from the contemporary and modern lovers, to the classic and traditional enthusiasts, to the industrial, farmhouse, boho and mid-century aficionados, plus everyone in between.

Combined with unparalleled customer and design services, Living Spaces truly has something for everybody.

To celebrate the opening of Living Spaces Cibolo, the store will hold a Grand Opening Event on December 16, as well as a VIP Preview Event the day before on December 15. Festivities will last from 5pm to 9 pm and food and drinks will be provided by Biga on the Banks.
