

Living Spaces Expands Into Kansas Market with Grand Opening of Brand New Lenexa Location

Top home furnishings brand, Living Spaces, is preparing to open its 34th store in Lenexa, Kansas and will be celebrating this momentous occasion with several events, including a VIP Preview Event on Thursday, May 11 at 5 pm. Guests are invited to enjoy refreshments provided by Hereford House and will be eligible for exclusive offers.

Located right off the I-35 on 95th Street - between Costco and Oak Park Mall, directly behind the Quick Trip - this marks the continuation of the brand's brick and mortar expansion, and they're showing no signs of slowing down anytime soon. "We're beyond thrilled to be opening our first location in Kansas, which we have been looking at doing for a long time," explains Grover Geiselman, founder and CEO of Living Spaces. "It means the world to enter into this market and bring our extensive offering of furniture and accessories to Lenexa residents."

Living Spaces has earned a reputation as one of the leading home furnishings retailers, providing guests with an unparalleled selection and outstanding values. Rather than limit the brand to one aesthetic, Living Spaces prides itself on having something for everyone. The Lenexa store in particular will offer over 106,000 square feet of various styles.

Guests will also delight in the designer displays from such acclaimed industry icons as Joanna Gaines as well as Nate Berkus and Jeremiah Brent. These celebrity partnerships allow anyone to bring home their sought-after styles at affordable prices.

As guests peruse the floor, they'll also find bedroom, living room, dining room, home office and outdoor collections, in addition to a vast assortment of accessories and Living Spaces' own exclusive line of Elements – a veritable bazaar of one-of-a-kind discoveries from all over the world, which are available in limited quantities for a limited time.

For those in the mattress market, Living Spaces includes the Revive Sleep Center, where experts can pair them with the perfect sleep solution. In addition to a proprietary offering, the center has all the top mattress brands in house.

When guests aren't shopping for their home, they can partake in delicious food and beverages at the well-stocked café, while their little ones enjoy a kids' fun room and movie room that are just for them.

In addition to the VIP Preview event, guests are welcome to stop by the Friends and Family Event happening on May 10. The official Grand Opening Day is May 12.
