For over three decades, Sue Firestone has cultivated her personal passion for design, operating two California-based leading international interior design firms, and assembling a portfolio that includes the world's premier five-and six-star hotel brands and luxury estates. After receiving dozens of honors and awards, Sue is now focusing her creativity on a line of fabrics that is near and dear to her heart. **Malibu** directly relates to Sue's passion for nature, the outdoors and travel.

Growing up in Malibu in the 1960's, Sue has always felt a sense of connection and appreciation for her natural surroundings. She spent many years immersed in nature, riding horses, hiking in the Santa Monica Mountains, and roaming freely amongst the tide-pools at Point Dume. **Malibu** incorporates all of this into a beautiful collection of fabric for Kravet Couture.
