and history —

Jan Shawne

Taking a page from her many travel stories, Jan Showers introduces her latest collection with Kravet Furniture.

Featuring a stunning assortment of chairs, tables, sofas and benches, this collection is a true reflection of Jan's signature style. Sophisticated silhouettes, like the Charles Bench and Anders Coffee Table, are inspired by Jan's many antiquing trips to Paris. Other pieces, like the Desmond Sofa and Trevor Chair, are reflections of Jan's passion for the rich history of design.

This second collection with Kravet Furniture offers unparalleled luxury and comfort in an array of timeless styles to fit interiors that range from traditional to contemporary and everything in between.
