EMPRESS EDGING IN FIG, COVER - HIDDEN PEARL CORD IN OXBLOOD

Mine is a search for beauty in all that surrounds us. The fierce green of the Thai rice fields; the Chinese red lacquer doors of the Forbidden City; the dark and mysterious Kyoto alleyways; the subtle colors of Oolong and Darjeeling teas – these are the impressions of Asia I have taken back with me from my travels. I have woven these reflections into a collection, Indochine. A memory of a far away place that feels very at home... in your home and in the homes of your clients. It is my hope that it will INSPIRE designers like you to create beautiful rooms.

A stylized, handwritten signature in black ink, featuring a series of loops and a long, sweeping tail that curves upwards and to the right.
