INDOCHINE

KK
kravetcarpet®

It is with great pleasure to present **Indochine**, my newest collection for Kravet. Inspired by my travels through Asia, the collection includes fabric, trimming, wallcovering, carpet and drapery hardware. With this new collection of carpets, I have explored richer tones and exciting new patterns. Shimmering and deeply tonal, these carpets set the perfect platform for upon which the collection unfolds.

A handwritten signature in dark ink, featuring a stylized 'B' and 'K' followed by a long, sweeping horizontal line that curves upwards at the end.
